10th March 2016

Dear Parents,

Last week Mr Burton resigned from his teaching post at Condover School.

At this stage it is important to ensure River Class have continuity until the end of the year and because there is not enough time to recruit a new teacher before Easter Mrs Varley and I will be teaching the class during the summer term.

The Governors and I have begun the process of recruitment for the start of the new academic year (September) and we will inform you of an appointment during the summer.

I am sure you would like to join with me in thanking Mr Burton for all of his hard work over the years and wishing him luck in whatever he chooses to do next.

Yours sincerely,

K. L. Lewis

Kerrie Lewis
Headteacher
