School News

This week pupils have had the opportunity to reflect in a remembrance service and demonstrate respect towards others. All pupils behaved impeccably in church and particularly during the minute's silence. Today they have empathised with other children who for one reason or another have to overcome extreme difficulties in their lives. The School Council have done an excellent job in organising activities and encouraging others to participate in Condover's Children in Need Day. In doing this they are "contributing positively to the lives of those living and working in the locality of the school and to society more widely" a strand of fundamental British Values. Thank you for your support from home too.

Well done William!

William Heywood in Ocean class has shaved his head for Children in Need.

William writes: "I decided to do this because of how lucky we are compared to some other children. Some children have difficult lives and have to work very hard."

If you would like to sponsor William, please send your sponsorship money into school.

This week our Sharing Assembly Focus was:

Children in Need

The music we have been listening to was:

Nightfall in Camp, Last Post, performed by the Band of the Royal Coldstream Guards.

Celebrating our achievements

Well done Footballers

Well done to our Year 3/4 football team, who played hard in a well fought game against Oakmeadow School on Tuesday. The final result was 2-2.

Thanks also to all the parents who came to support the team. This was much appreciated.

Please be aware that a parent has had their car tyres slashed whilst parked in the village this week. It is not so long ago that cars were broken into in the village so we ask you all to be extra vigilant.
