

On Monday 14<sup>th</sup> March, our school had a Shakespeare day to celebrate Shakespeare week and 400 years of Shakespeare after he died.

We had some amazing costumes and everyone had fun as their favourite Shakespeare character. There were costumes from A Midsummer's Night Dream, Romeo and Juliet, Henry 5<sup>th</sup> and lots from other Shakespeare plays.

First we went into the hall for assembly. We watched a powerpoint about William Shakespeare. It taught us a lot of things including the different types of plays and about The Globe Theatre.

Asterwards we watched a video telling us the top 3 Shakespeare plays voted by children. It also told us facts about Shakespeare that not many people knew

We all really enjoyed the day and had lots of fun learning about William Shakespeare
