Friday 22nd July

Break up for Summer Holidays

Tuesday 6th September

Children return to school for start of Autumn Term

School News

Years 1, 3, 4 and 5 have completed their end of year assessments this week. All pupils have worked hard and you will be able to see the progress they have made over the year when you receive their final report for the year. Of course this does not mean that learning stops just because assessments are over. There are many activities and celebrations to come before we finish for the summer. Sports Day is scheduled for the 7th July, fingers crossed!. Please see the letter your child has brought home with further information about the day, a reserve day and slip for ordering lunch.

On Tuesday evening all of the staff met most of the parents whose children will be starting reception in September. Mrs Warlow even treated everyone to a quick burst of song! She is already visiting pre-schools and nurseries to meet the children and talk to the leaders. On Wednesday we will be welcoming the children to the first of their three induction sessions. In contrast, on Thursday year 6 will be off to Hereford Cathedral to celebrate the end of their time at primary School with other children from the diocese. A day of celebration, reflection and looking forward.

Kerrie Lewis

Year 3/4/5

Please remember that the children are going on their trip to Edgmond Hall next Friday and that payment via ParentPay or reply slips are due in today. Thank you.

100 Club

You still have time to sign up for our 100 Club. The club raises funds for the school and you have the chance of a monthly £50 prize. An application form is attached to this email.

Celebrating our achievements

Kirsten Rysdale in Ocean Class competed in the English Youth Fencing Championships at the weekend, finishing 6th out of 28 in her age category. She went out after a close fight in the Quarter Finals. Congratulations.

Fin and Greg Walker from Estuary and Stream have both achieved Grade 3 in Musical Theatre Production, both with Distinction. Well done boys.

Well done to all the keyboard players who participated in the workshop last Saturday. They performed beautifully.
