School News

Thank you to all parents, family and friends who attended our Harvest Festival this morning. Thank you also for your generous donations to our Harvest Gift Boxes.

Another busy week at Condover! Well done to the Cross Country Competitors, who represented the school so well on Monday.

This week Year 5 spent a day at Church Stretton School in the cookery rooms. They made fruit muffins but also learnt about packaging and design. The school certainly smelt delicious on their return.

Well done to our football team who played at the Sports Village on Wednesday and got through to the next round of the tournament.

On Wednesday pupils learnt that Muslims around the world were celebrating Eid -ul-Adha that day. This was the starting point for a day of maths problem solving through Islamic Art and pattern, focusing on tessellation, angles and shape. Look out for the resulting display in school.

Following our elections last week, our newly formed School Council and Eco Council had their first meetings and on Thursday, during assembly, spoke to the rest of the school about their role and the ideas they have for the year ahead.

A big well done to the children who have taken part in football tournaments over the last two Wednesdays. We have been very successful against extremely competitive opposition and have reached the next round in both the Shrewsbury Schools and Small Schools competitions.

Also well done to all the children who represented the school in Cross Country at Millichope Hall this week. It was a very tough and wet course which all of the children negotiated fantastically well. We were very successful during the event, winning both the Year 5 girls (Rosie Z) and the Year 6 boys (Dom Horsfield) races.

HARVEST FAIR

Mr Bean has asked us to let you know about a new harvest fair he is helping to run at Attingham this Saturday & Sunday 10-4. It's all based around the walled garden and about harvest produce and farming. There will be cookery demonstrations, music, Apple pressing, food, drink & more and free to National trust members.

More information is available on their website and Facebook page. A great event for the whole family this weekend.

This week our Sharing Assembly Focus was:

Harvest

The music we have been listening to was:

Defying Gravity (Wicked)

Bikeability

Children who are taking part in Bikeability may leave their locked bikes overnight in the bike shelter. This is done at the owner's risk.

HEAD LICE

We have confirmed cases of head lice in school. Please be vigilant in checking your children and treating when necessary

Church Services

We value your attendance and support at our church services, as do the children. We would ask that if your babies or young children are crying or making a lot of noise, you take them out for the benefit of the school children who work so hard on their performances and other adults. Thank you.

Eco Council Report By Caleb Richards

During the next year, the Eco Council will be looking at how they can make our school more eco-friendly.

The following children are in the Eco Council:

Chair: Caleb Richards

Vice Chair: Thomas Farrow

Secretary: Amber Britnell

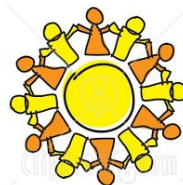

Class Reps for Raindrops: Joe Halstead, Marcus Cordingley

Class Reps for Stream: George Degg, Lauren Rysdale

Class Reps for River: Ben Adney, Rudie Macken

Class Reps for Estuary: Carys Atkins, Will Pearson

If you or your children have any ideas for the Eco Council, please inform Caleb Richards or Thomas Farrow (Ocean Class).

School Council Report By Kirsten Rysdale and Olivia Deane

We have voted for our Chair, Vice Chair and our Class Reps for this year's School Council and all of them have been chosen by the children in the school.

Chair: Kirsten Rysdale

Vice Chair: Reuben Peters

Class Reps: Olivia Deane, Elliot Thomas, Grace Martin, Aris Kokkinos, Poppy Cumberlidge, Amelia Crout, Isobel Lowe, Charlie Williams and Madisyn Barron.

What is School Council For?

We discussed this and these were some of our ideas: Charlie—raising money. Grace—ways to improve the school. Elliot—upgrade the school. Madisyn—sending messages to the classes and teachers. Kirsten—deciding what equipment the school needs.

We also discussed what we need to do as a Class Rep.

Suggestions were:

Elliot—bring ideas to meetings. Olivia—help run events. Kirsten—report back to the class about meetings. Work with teachers, Mrs Lewis and Governors to continue to improve the school.

The School Council will meet every fortnight and we will keep you informed about our work.
