School News

You have probably heard in the press that the Government has announced all schools will become academies by 2022. Obviously this has huge implications for our schools. Our governors and staff will be considering this development over the coming months and will be looking at various options for the future. Of course parents will be informed and consulted as things progress. Decisions will not be made lightly and the priority will be the provision of high quality education for all.

Kerrie Lewis

100 Club

Our 100 Club winner in March was Darren Miles and in April it was Mrs Munro.

Sunset & Breakfast Club

Charges for April have been put on ParentPay today and are due to be paid by 5th May. A late payment fee will automatically be added if payment is not made by then.

Year 6 Parents

Please remember to return your Tran1 form to school next week if you wish to apply for transport to your child's secondary school in September.

Head Lice

We have cases of head lice in school. Please check your children and treat if necessary.

This week our Sharing Assembly Focus was:

The Queen's 90th Birthday

The music we have been listening to was:

The National Anthem
