### School News

Happy New Year.

This week our sharing assembly focused on New Year's Resolutions. We talked about why we make them and every child wrote down one resolution for 2016. We hope you notice them helping more around the house or taking the dog for more walks!!

Schools enjoy two new years; the first in September and the second in January. In September I informed you that Mrs Danks was expecting her first baby and I am delighted to inform you that on Wednesday she and Mr Danks welcomed their new baby boy into their family. We send our love and congratulations to them all. The baby news doesn't stop there! Henry Holloway-Davies has been very excited because he is going to be a big brother. Ms Holloway Davies is expecting a baby in the summer.

This week James Adlington has joined Stream Class. We would like to wish James and his family a warm welcome to Condover CE Primary School.

### Chicken Pox

We have a case of chicken pox in KS1. If you are pregnant and have not previously had chicken pox, please advise your midwife if you think you may have been exposed.

### KS2 Swimming Lessons

Don't forget that swimming lessons start on Thursday 14th January and run for 10 weeks.

### Forest School Days

Forest School will be on the following days:

Raindrops—Mondays

Year 1 children in Streams—Tuesdays

A very big thank you for the lovely Christmas gifts you so kindly gave to us all.

THANK YOU
